

Safiah Ahmed hadi

Email: dede29273@gmail.com , Phone: [+966535488039](tel:+966535488039).

Location: Saudi Arabia, Jazan, (Ready to Relocate) Nationality: Saudi

Objective:

Analytical and detail-oriented Mathematics graduate from Jazan University with strong academic foundation in quantitative reasoning, statistical analysis, and problem-solving. Seeking an entry-level position in data analysis, education, research support, or administrative/analytical roles where I can apply my mathematical thinking, data interpretation skills, and structured approach to problem-solving.

Education:

Bachelor's Degree – **Mathematics** – College of Science and Arts, Jazan University, Saudi Arabia.

Professional Development:

Courses & Certificates:

- **Operational Planning & Business Plan Development** – Monsha'at Academy, 2026
- **Data Entry & Word Processing Course** – Alruwaad Higher Institute (TVTC), 240 hours, 2022
- **Introduction to Internet of Things** – Doroob Platform, 2022
- **Business Administration Course** – Pioneer Science Training Center, 2018
- **Computer Basics (Windows & Office 2010)** – Ministry of Education Program, 2018
- **Work Ethics** – Tamkeen Clinics, 2025
- **Job Readiness Training** – Tamkeen Clinics, 2025

Workshops:

- **Emotional Intelligence Workshop** – HRDF, 2026
- **CV Writing Workshop** – HRDF, 2025
- **Volunteering Workshop** – HRDF, 2026
- **Talent & Career Development Workshop** – HRDF, 2025
- **Presentation & Communication Skills Workshop** – HRDF, 2026
- **Professional Networking Workshop** – HRDF, 2025
- **Goal Setting Workshop** – HRDF, 2025

Skills:

Hard skills:

- Advanced Mathematical Problem-Solving and Analytical Skills
- Statistical Analysis and Data Interpretation
- Algebraic and Calculus Applications
- Logical Reasoning and Quantitative Thinking
- Mathematical Modeling and Problem Formulation
- Data Handling and Numerical Computation
- Research and Academic Mathematical Writing

Soft skills:

- Communication Skills
- Attention to Detail
- Team Collaboration
- Critical Thinking
- Adaptability to New Methods and Analytical Tools
- Strong Focus
- Time Management
